[Despatch Abstract.]

Establishment-Government Hospital, Udipi-South Kanara District-Employment of an additional waterman-Sanctioned.

S.S.9

From

Medical Department.

Dr.P.Arunachalam,MD.,MRCP.(Lond).,TDD(Wales).DMR(Lo
Director of Medical Services,Madras 6.

To

The Secretary to Government, Health Department,
Madras.

Sir,

Ref:No.13092-G1 .dated 7-3-1952.

Sub:-Establishment - Govt. ~~Mental~~ Medical Institutions - Govt.Hospital,Udipi, South Kanara District Employment of an additional Waterman

It is reported by the Medical Officer, Government Hospital, Udipi that the present single waterman attached to the Govt.Hospital,Udipi is unable to supply water to the latrines and wards of the hospital and also to the newly constructed septic tank and bath rooms. In summer the water in the well which is the source of water supply for the hospital goes much deeper and the single waterman finds it impossible to supply water to the different wards, etc The District Medical Officer, South Kanara also considers that ~~the needed~~ an additional waterman for the Hospital is quite necessary - vide a copy of letter Roc.No.5034/51 dated 5-2-1952 from the District Medical Officer, South Kanara enclosed, for the information of Government. In the circumstances, I recommend that the Government may be pleased to sanction the employment of an additional waterman to the Government Hospital, Udipi temporarily upto 31-3-1953. The extra cost involved in the proposal is as shown in the Annexure.

Yours faithfully,

for Director of Medical Services,Madras.

Sub:-Establishment Contingent - Govt.Hospital ~~Udipi~~ Udipi Employment of an additional waterman -

Ref:-Your Memo.Ref.No.114804-G1-51-1-dated 19-11-51.

p.t.o.

In appending a copy of the letter Roc.No.924/51,dated 28-12-51 of the Medical Officer, Govt.Hospital,Udipi, I think the need for an additional waterman for the Hospital is quite reasonable. In view of the facts stated in the Medical Officer's letter referred to above, an additional waterman may please be sanctioned

The extra cost that would be involved in theproposal will be Rs.400/- per annum

Copy of letter

Sub:-Contingent staff, sanction for an additional waterman proposal submission of-

Ref:-Your Roc.No.5034/51,dated 11-12-51.

The present bedstrength of this Hospital is 50. But the average in-patient attendance has been always about 60. The Septic tank latrines which were constructed early this yeai consume a large quantity of water for its normal working. Two bath rooms are also newly constructed and the supply of water to these bathrooms for the purpose of bathing is an additional work to the Waterman.

The source of water supply of for this Hospital is a well. This well is very deep and the water level goes still down in summer when the hospital requires more water.

A "C" class paying ward of 4 beds is now going to be opened in the hospital very shortly and this will require a lot of water. The existing waterman is quite unable to supply water to this new ward.

Hence I request an additional waterman may please be sanctioned at a very early date. The orders sanctioning the post of existing waterman is not traceable here

HEALTH

Ref.13092--G1 dated 5-4-1952.

Sir,

Sub: Establishment - Government Hospital, Udipi
South Kanara District - Employment of an additional waterman.

Ref: Government Memo. No.10258/H1/52-1 H, dated 21-3-52.

Even though waterman employed in Government Medical institutions are menials paid from contingencies, standard scales have been fixed for their employment as in the case of cooks and toties, viz.,hospitals with 8 to 50 beds are eligible for one full time waterman and an additional waterman for every 50 beds or any number not less than 25. The Government Hospital, Udipi with 50 beds is eligible for only one waterman. But in the circumstances represented by the medical officer, Government Hospital, Udipi the employment of an additional waterman is considered necessary, and the sanction of Government has therefore been applied for as the requirement exceeds the standard scale.

Yours faithfully,

for Director of Medical Services.

Ref. Government Memo No 10258/H/52-2 Health dated 12.4.52

--

The scales for the employment of watermen in the Government Medical Institutions with reference to bedstrength were prescribed in G.O.No Ms. 3339 P.H. dated 23.12.1935. The Government have in G.O.No.1569 P.H. dated 12.9.36 ordered that the staff in excess of the permissible number should be dispensed with and that the sanction of Government should be obtained whenever it was not found possible to conform to the scale.

Yours faithfully,

for Director of Medical Services.

***

From

Dr.P. Arunachalam, MD.,MRCP.,TDD.(Wales).,
Director of Medical Services, Madras 6

The Secretary to Government, Health Department, Madras.

Ref.13092-G.1 dated 16-6-1952.

Sub:- Establishment - Government Hospital, Udipi, South Kanara District - Employment of an additional waterman.

Ref:- Government Memo.No.10258-H-52-4 H dated 20-5-1952

I forward herewith for the information of Government a copy of letter C.No.2631-HC/52 dated 8-6-1952 from the District Medical Officer, South Kanara. Even though there may be enough rain on account of the South West Monsoon the services of an additional waterman throughout the year is necessary to supply the required quantity of water to the different wards.

Yours faithfully,

16.6

FOR DIRECTOR OF MEDICAL SERVICES

PN.16.6.

Copy of letter C.No.2631-HC/52 dated 8-6-52 from the District Medical Officer, South Kanara to the Director of Medical Services Madras 6.

Sub:- Establishment - Government Hospital, Udipi, South Kanara District - Employment of an additional waterman.

Ref:-Your Ref.No.13092-G.1 dated 27th May 1952.

There is a combined Septic Tank latrine and bath room in the Government Hospital, Udipi and therefore large quantities of water are being used. A "C" Class paying ward has been constructed and it will be occupied soon. One water-man cannot supply the required quantity of water. Under the circumstances, I recommend that the additional waterman asked for ~~any~~ be employed throughout the year.

The draft under on p. 1 above may be accepted subject to the following remarks:—

It would appear from page 1 cf that the services of an additional ~~watchman~~ waterman will be required mainly during summer when the water supply to the Hospital goes much deeper. Health may be requested to examine whether it will not be sufficient to restrict the employment of the additional waterman during summer only.

Pay Rs 111 per mensem

The Health Deptt. may kindly consult the DHS whether the addl. waterman/watchman is required throughout the year and if not, for how many months in the year the post should be sanctioned

For 14/5/52

Health

By the end of June, the Ransom will be in full swing and S. Water Deptt will have enough water with the result will have to supply for
